Annual Electrical Inspection of Shore Power Cords

We are presently conducting our annual inspection of shore power cords.

The use of insufficient shore power connections may result in damage to your on-board equipment such as overheating, fire, or electrocution.

The marina recommends a yellow "**Marine Grade**" quality cord. Depending on the severity of the issue, marina staff will notify boaters of problems or will be issuing a "red tag" notice.

Red tag notices are posted on the boat requesting immediate correction to a rules or regulation violation.

Parking Lot Maintenance

The East Marina will be performing parking lot maintenance, scheduled to begin January 8, 2018:

- **Cove Lot #1** (Golden Lantern - Dick Simon). All parking will be directed to the Casitas parking lot #2 for the duration of the project.
- **Island Lot #3**, parking will be maintained in the lot at all times as the project will be conducted in stages. Watch signage for parking instructions.
- Towing may be necessary if vehicles do not follow posted instructions. However, the marina will make every effort to contact the vehicle owner when possible.

Holiday Hours

Dana Point Marina Company office will be closed for the following holidays:

- **Christmas Day** - Monday, December 25, 2017
- **New Year's Day** - Monday, January 1, 2018
