# The Marina News

A Monthly Newsletter for the Boaters of Dana Point Marina

## 2010 Underwater Clean Up May 1st – 8AM to 12:00 Noon

Dana Point Harbor is looking for volunteer divers to help the environment by scouring a section of the harbor bottom for lost or discarded items. Participating divers will receive an event T-shirt, food and beverage, and the chance to win prizes for most unusual items found. In the past we have found numerous cell phones, tools, kitchen appliances and even a computer just to name a few!

Registration fee is \$20 – Contact the East Basin Marina office to register (949) 496-6137.

## 2010 Wag-A-Thon

Pet Project Foundation presents the 17th Annual Wag-A-Thon. This fun-filled family pet event will be held on Saturday, April 24, 2010 between 8:30AM and 1:00PM on Dana Point Harbor Island. The Wag-A-Thon is a fundraising event for Pet Project Foundation, benefitting the San Clemente-Dana Point animal shelter. Expect some minor traffic congestion on the island in the morning hours of the event. Bring the pup and make a day of it!

## Prepayments

**Due to administrative concerns; the Marina will no longer be able to accept Boat Slip License fee prepayments of more than one month in advance. Your cooperation is appreciated.**

## Odd and Ends

- Please remember to keep those dock gates closed and secured. In addition to providing a measure of security it prevents children from accessing the docks unattended.
- Please secure your vessel so that the bow does not extend over the main headwalk. This can cause a serious hazard to persons walking the dock.
- Make sure that your pets are not disturbing other people on the dock. We've received complaints of people leaving noisy pets unattended on their boat.
- Remember that the Marina office provides a number of handouts concerning safe and clean boating practices. Please stop by and see what is available.
