Name of Legal Spouse _____ (Photo I.D. required)	E-Mail _____

**Waitlist Information**

- This waitlist application is for the individual whose name appears above, who has paid the appropriate deposit and signed the Marina log book. Waitlist applications are **non-transferable**.
- Each waitlist is according to size and is independent of each and every other waitlist. An applicant may not transfer from one size waitlist to another. Each wait list application requires its own deposit and log book signature.
- Each waitlist requires a refundable deposit equal to one current month's rent for the size slip desired.
- Once an applicant reaches the top of the waitlist & is offered a slip by Marina, he/she has two (2) working days to accept the slip. Failure to respond within two (2) working days will result in the applicant being placed on inactive status. Failure to contact the Marina within six months of being placed on inactive status will result in the applicant being rotated to the bottom of the waitlist and billed for any deposit shortfall. Failure to pay a deposit shortfall by its due date will result in termination of the application.
- INACTIVE STATUS – If an applicant does not own a boat or is otherwise unable to accept a slip at the time the Marina offers a slip, he/she may request inactive status. Inactive status is allowed only once per application and is limited to a maximum of six (6) months. If the applicant is unable to accept a slip after being returned to active status, the applicant will be rotated to the bottom of the waitlist and billed for any deposit shortfall. Failure to pay a deposit shortfall by its due date will result in termination of the application.
- To obtain a slip the applicant must first provide proof of current vessel registration / documentation, proof of insurance (\$300,000 combined single limit liability) and execute a Boat Slip License Agreement in a timely manner. The applicant's name must appear on registration & insurance.
- All vessels entering the marina are inspected. Each vessel must be seaworthy, and must not exceed the maximum length overall (LOA) allowed in the assigned slip. **To determine the LOA, your vessel will be measured from bow to stern including all extensions.** If your vessel exceeds the LOA allowed in the slip your Boat Slip License Agreement is subject to termination. MARINA RULES PROHIBIT ALL HOUSEBOATS. Tenants may not live aboard their vessel unless they obtain a marina live aboard permit and pay the appropriate fees. Be advised that the design depth of harbor is 8-10ft at zero tide. County & Marina shall not be responsible for damages sustained as a result of water levels, navigational obstructions or vessel groundings for any reason.
- The Marina reserves the sole right to decide whether a vessel and his/her owner are suitable for any given berth. The parties agree that the Marina shall have no liability for refusing to assign any specific berth to any vessel/owner.

NOTE: The Dana Point Marina Company maintains a strict policy of non-discrimination. All slips are assigned on a first come first served basis. Each waitlist is maintained according to sign-up date. Be advised that failure to respond to a marina slip notification in a timely manner may result in an individual being passed over for a slip. IF THE MARINA, IN ITS SOLE DISCRETION, FINDS IT NECESSARY TO REJECT THIS APPLICATION, YOU ARE ENTITLED TO A FULL REFUND OF THE WAITLIST DEPOSIT.

Deposit paid to County of Orange in the amount of \$\_\_\_\_\_.
